

EMPLOYMENT OPPORTUNITIES

A career in this hands-on health care field offers strong earning potential, meaningful work, and a balanced, low-stress, professional environment. Massage therapists play a vital role in improving quality of life by providing optimal care in a wide range of settings, including stress management and wellness centers, geriatric care, athletic clubs, health facilities, physical therapy clinics, sports medicine, and private practice.

While CalCopa cannot guarantee employment, we receive daily requests from employers, (many of whom include our CalCopa Alumni) seeking well-trained, professional massage therapists—demonstrating the strong demand for CalCopa graduates. With over 45-years of teaching great massage therapists, CalCopa has a great reputation in the industry.

STUDENT PROFILE

A CalCopa Massage Student is dedicated, compassionate, and committed to the healing arts. Students develop strong technical skills, a deep understanding of the body, and the professionalism needed to succeed in today's wellness and health care environments. Our ideal student is someone passionate about helping others, motivated to learn, and ready to grow personally and professionally.

Students are supported in a positive, hands-on learning environment that encourages confidence, skill development, and success in a rewarding health care career.

CalCopa students are prepared to deliver ethical, client-centered care with confidence and integrity.

WORKSHOPS AND SEMINARS

Workshops and seminars are offered continuously at CalCopa. Students are encouraged to broaden their educational horizons beyond certificate courses. Courses that are required for the Myotherapist and Holistic Health Practitioner Programs may also be taken as individual Electives. These meet Continuing Education requirements for programs like NCBTM and Nursing Continuing Education.

COMMUNITY INVOLVEMENT

CalCopa is proud to be an active and trusted presence in the community, supporting local organizations through therapeutic massage services at charitable and community events. Our students and staff regularly contribute their skills to meaningful causes, gaining real-world experience while giving back.

Annual community partnerships include:

- Epilepsy Support Network of Orange County
- Run Seal Beach
- Angel City Games
- SPMS Regional Championships
- And many more community events
